YOUR CATEGORY GUIDE

11th Degree Chords

Hear a fuller chord and recognise its eleventh-chord type.

What you are practising

Hear a fuller chord and recognise its eleventh-chord type.

Why it helps

Distinguish chord sounds with an eleventh or a raised eleventh.

It explains what to listen for, what to choose, and what changes at that level. Green selections are worked examples, not answers to your next question.

QUIZ INSTRUCTIONS

11th Degree Chords · Level 1

You will hear a chord with an eleventh or a raised eleventh added. Choose the chord name that matches its sound.

1. **Listen to the whole chord**
   Press Play and listen to the notes together. Focus on the sound of the whole chord rather than trying to name every note. You can listen again whenever you need to.

2. **Choose the chord type**
   Choose one of the six chord names shown. Pay attention to the full name: a raised eleventh, a lowered ninth or a lowered fifth changes the sound.

3. **Submit your answer**
   When you are ready, press Submit Answer. You can change your choice before you submit.

Notes played together · low to high

F | A ♭ | C | E ♭ | G | B ♭

Example answer

Minor 11th

This visual example is F minor eleventh. Choose Minor 11th. During the quiz, listen to the whole chord and select the matching name, even when the notes are arranged differently.

What changes in this quiz?

These chords build on seventh and ninth chords by adding an eleventh or a raised eleventh. For example, F minor eleventh uses F, A ♭ , C, E ♭ , G and B ♭ . In the answer names, ♯11 means a raised eleventh, ♭ 9 means a lowered ninth, and ♭ 5 means a lowered fifth. Raising or lowering a note means moving one keyboard step, counting both white and black keys. This lesson uses chords built on F. The chords start with their root, the note they are named after, at the bottom. Choose only the chord type; there is no separate inversion answer.

Answer choices

Major 9(♯11) | Minor 11th | Diminished 7(9,11) | Dominant 9(♯11) | Minor 11(♭ 5) | Dominant 7(♭ 9,♯11)

QUIZ INSTRUCTIONS

11th Degree Chords · Level 2

You will hear a chord with an eleventh or a raised eleventh added. Choose the chord name that matches its sound.

1. **Listen to the whole chord**
   Press Play and listen to the notes together. Focus on the sound of the whole chord rather than trying to name every note. You can listen again whenever you need to.

2. **Choose the chord type**
